

## Group visit Comments 2018

We appreciate these very kind comments from our customers June 2018. These are unsolicited sent after the visits

### **Birthday group June 18 (Alpaca Adventure group visit)**

Thank you for a wonderful visit today. Everybody enjoyed it. We all learnt something about alpacas and agreed they are lovely animals. The tea was delicious, very fresh. I know you had nothing to do with it but we were so lucky with the weather too. Thanks to all the other helpers and your husband as well. *Gill, Arlesey*

### **Aphasia Group, June 2018 (Alpaca adventure group visit)**

I wanted to say a huge thank you on behalf of our group for the wonderful day we had visiting your alpacas on 25 June. It was a great mix of information and meeting the real "boys"! They really are unbelievably appealing and so friendly. What a great way to spend the day - a rather hot one too - and I think we all left you feeling that we had had a real treat and done something very different. The lunch that you provided was delicious and perfect for a hot day, with the constant supply of cold drinks much appreciated!

If the occasion arises I will certainly recommend a visit to Yew Tree Alpacas to friends/groups.

### **Field Dames WI June 18 (Alpaca walking group visit)**

"Well what a fantastic day we all had at @YewTreeAlpacas today! Thank you to Penny & her team in allowing us to walk and lead their wonderful Alpacas through the gorgeous countryside in what I can only describe as perfect weather 🌞🌸 ! Oh and the food was delicious too especially the desserts! 😊😊 I think there were lots of happy ladies by the end of our visit! So I think we'll have to return again! "

### **Comments sent to group organizer thanking for the visit**

" Thanks for organizing a memorable day - I'm now trying to work out how many alpacas I can fit in my back garden."

" We had such a **lovely time**. I think we will have to make this one an annual event! Thanks to Tricia for organising"

" Thanks for your hard work in organising Tricia, it was a lovely experience. Desserts were pretty good too!"

" Thank you Tricia for organising a great day. I'm inclined to agree with Rina - we should consider making this an annual outing! And I still think Elgar was the most beautiful alpaca ever!"

" Wow it was hot at the Alpaca farm today! Despite the heat we had a lovely afternoon with these wonderful, placid animals. Our hosts provided us with a very nice afternoon tea, all in all a special time to remember with WI friends 😊😊."

### **Field Dames WI PM visit ( Tea)**

Thank you for giving us such a lovely day today; I know we all had a fabulous time and thoroughly enjoyed the day.

And thank you for the torte recipe info - already saved it to my recipe collection. (Looking forward to trying this one myself).

Thanks so much.
